

WHAT PEOPLE LIKE ABOUT ME,

My upbeat and outspoken personality that makes people laugh while also maintaining professionalism.

Cares about having a strong impact and always willing to help others.

A take charge, get things done type of person, who is always willing to advocate in any situation where it matters most.

Always straight forward and to the point, sugar coating situations doesn't make them sweet.

Empathetic listener who works hard to build a strong rapport with others to ensure a safe and welcoming working relationship.

WHAT IS IMPORTANT TO ME,

My Family is most important me

To surround myself with positive people and have a welcoming environment to work in

To feel comfortable to be myself around others

For my work and personal life to have good balance.

To help make a strong positive difference in the lives of the people I support at work and in my personal life.

HOW BEST TO SUPPORT ME,

To feel comfortable expressing my opinions or asking questions without fear of being judged

To feel appreciated in a genuine manner when it's appropriate

To share a space with colleagues that love to laugh, but can also be serious when hard work arises

To understand that my time is just as valuable as others

To know that others have my back just as much as I have theirs when a situation calls for it
